

# 2021 Ballet Summer Camps

at the historic San Diego Civic Youth Ballet

**Note: the information on this flyer is current as of MARCH 2021.**

All camps are *SUBJECT TO CHANGE* based on pending safety regulations.

## THE CAMP EXPERIENCE

Our in-person and virtual summer camps begin with a daily ballet class in which students are introduced to the technical aspects of ballet as well as the concepts of musicality and performance.

Supplemental activities like arts & crafts, jazz classes and performance rehearsals make every day of camp extra fun.

## THE SDCYB DIFFERENCE

At SDCYB, all summer camps have small class size and are taught by professional instructors with the assistance of an advanced-level student aide. This keeps the student-to-teacher ratio low and allows for individual attention and instruction.

The experience, needs, and abilities of each child are honored in our program and it is important to our faculty, staff, and organization that all participants have a rewarding and positive experience.
